SIDEMOOR FIRST SCHOOL AND NURSERY SELF-EVALUATION SUMMARY SHEET

	SECTIONS	SUMMARY EVALUATION		
1	INTRODUCTION As a school currently graded Outstanding by Ofsted in 2010 we aim to ensure those standards are maintained and developed to reach our strategic intent to be outstanding across all areas.	"The teachers are welcoming and effective, morale is high and the school is fundamental to the excellent personal and academic development of my children." was just one of the many positive comments we received in recent feedback from parents regarding their experiences with Sidemoor First School. The school's catchment area is varied and has an ACORN geo-demographic ranking of 65.An increasing number of pupils are applying for places in the school from out of catchment with special needs. Children make very good progress in our school We have acted upon the action highlighted in the previous Inspection and continue to drive the school forward Pupil premium - 72 children (27.4% whole school from years R- 4) SEN 50 (15%) of our children (including Nursery) are registered with our SENCO as having Special Educational Needs. Of these: Children with statements: 3 (0.8%), Children at SA+: 29 (8.5%). Children at SA: 18 (5.3%), EAL 7 (3% of children aged 5+)		
2	MAIN AREAS FOR WHOLE SCHOOL DEVELOPMENT	Priority 1.1: To further develop a relevant, engaging and inspiring skills-based curriculum to match the requirements of the new NC and the needs and interests of our children, whilst still focussing on the basics. Priority 1.2: To establish a Lesson Study approach for teachers to share and develop good practice. Priority 1.3: To continue to develop a pedagogy that supports personal, learning and thinking skills through dialogue and reasoning using a P4C approach. Achievement & Standards Priority 2.1: To involve children in the planning of a rich and engaging curriculum, with all children making at least good progress. Priority 2.2: To develop Assessment for Learning and pupil voice, with children having greater ownership of learning and responding to effective feedback and peer and self- assessment. Priority 2.3: To develop cross-curricular maths and English opportunities, making learning more meaningful and relevant and providing opportunities to apply skills and to improve boys' writing and girls' maths. Behaviour and safety Priority 3.1: To further improve attendance with rewards for class attendance and a review of Leave of Absence policy. Priority 3.2: To review and improve parking and the arrival and dismissal of children. Priority 3.3: To develop consistency in behaviour management strategies through school rules, zone boards, Team Teach training and nurture provision. Leadership and Management Priority 4.1: To continue to develop the effectiveness of all levels of leadership, including governance with Ofsted training for governors and auditing skills. Priority 4.2: To develop a new Pay and Appraisal Policy in line with regulations for Performance-Related Pay.		
3	PROGRESS IN PREVIOUS	Priority 4.3: To develop interschool moderation and HT Learning Partners, sharing SEFs, SDPs, RAISE Key Issue	Progress	
3	INSPECTION KEY	Improve overall rates of attendance by:	2010 (year of last OFSTED)	
	ISSUES	 Ensuring all parents clearly understand the importance of regular attendance in securing good and consistent progress for their children; Devising further strategies to motivate pupils to improve the overall rates of attendance from average to above average. 	In 2013 attendance was 95% (incl Reception) or 94.8% (not incl Rec) In 2014 attendance is 96.4% for Autumn and Spring terms Weekly class rewards in place, termly individual awards in place, and new policy on Leave of Absence shared with parents.	
4	ACHIEVEMENT	Strengths	Areas for Development	
•	From their starting points, a large majority of children make higher than expected progress in reading, writing and maths.	 Detailed analysis has improved monitoring and intervention in this area. Pupils tracked and targeted on an individual basis. Effective Pupil Progress meetings with HT and SENCo. EYFS- The Average Total Point Score was just above the national at 34 (National - 33). In school 39% - 56% girls, 26% boys -(National49%) of children achieved a 2+ (expected) in ALL areas of learning. (GLD was 39% cf National 52%). Girls' attainment was above national counterparts in most areas. FSM children were only just below at 30.5 APS. 	 EYFS: Improving outcomes for boys in writing and maths To further improve the standards of attainment across the school with a focus on groups of children whose attainment is lower than that of cohort. 	

	The standards of	APS are above in all areas at end of KS1 (16.7 c.f. National 15.8).	
	attainment for almost all	• % achieving 2b+ (88%, 86%, 81%) - significantly above NE - and 3+ (29%, 14%, 28%)in reading,	
	groups are in line or above	writing and maths at the end of year 2 is broadly in line with or above NE. The school is in the	
	national averages, with	highest quintile for writing in comparison with other schools.	
	many pupils attaining above	• % achieving 3b+ (74.5%, 67.3%, 76.4%) and 4+ (49%, 25%, 31%) in reading, writing and maths at	
	this. From their starting	the end of year 4 showing that the majority are on track to make at least expected progress by	
	point, pupils make rapid	the end of KS2 but this cohort made significant progress both socially and with behaviour	
	and sustained progress	(41.8% FSM, 32.7% SEN).	
	across the school and learn	FSM children in school achieve higher in maths and significantly higher in reading than non FSM	
	exceptionally well.	children and compared to the FSM Nationally (KS1) and make more progress than non FSM in all	
	, ,	areas in lower KS2. 64% FSM children met Y1 Phonics standard (National 57%).	
		In 2013 the achievement for identified SEN is higher than National data in all areas (using)	
		2013 National figures)	
		In 2013 the achievement of children from ethnic minority groups is higher than National data	
		in all areas (using 2013 National figures)	
		Progress is good for all groups within school including SEN Pupils	
		17 ogress is good for an groups within school including octor apis	
		Progress of children across KS1 (compared to expected progress) (using FSP conversion & w 3points)	
		(8+progress) expected progress Reading 82% Writing 79% Maths 72%	
		(10+) Better than expected Reading 36% Writing 25% Maths 25%	2
		(12+) Much better than expected Reading 6% Writing 2% Maths 6%	
		Making 1 level progress from end of KS1 to Y4 (3 sub levels = 6 NC points)	
		Reading- 93% , Writing- 70% , Maths - 100%	
		Making 4 sub levels progress from end of KS1 to Y4 (4 sub levels = 8 NC points)	
		Making 4 sub levels progress from end of KS1 to Y4 (4 sub levels = 8 NC points) Reading - 60%, Writing - 44%, Maths - 60%
