Ofsted Inspection: Parents' Meeting on Tuesday 18th July 2017 at 18.00 hrs

Dear Parents and Carers

As you are aware, Sidemoor First School and Nursery was inspected by Ofsted on 23 & 24 May 2017. Firstly, may we apologise for the delay in reporting the outcomes to you. Unfortunately, due process and procedures must be adhered to and therefore it is only now that the report can be shared.

We are extremely disappointed with the judgement that the school requires 'Special Measures'. A copy of the report is now available from the school office/school website and will be available on the Ofsted website from 13th July:

<http://www.gov.uk/inspection-reports/find-inspection-report>

We will then also put the link to the report on our own school website.

In response to the inspection we have, with support from the Local Authority, produced a robust action plan to address the key findings. We are confident that we have the steps in place that will lead to the necessary improvements as soon as possible and at the meeting will share key priorities from the plan and the actions that have already taken place.

We are pleased that, during the inspection, the team recognised some of the strengths of the school which have been captured in the report. The staff and Governing Body are totally committed to working with you and the local authority to successfully carry out the improvements that are required. We believe that, with your continued support, the school can make rapid progress, starting with immediate effect. With this in mind, we would like to invite you to a meeting in school where governors, senior leaders, staff and representatives from the Local Authority will provide further information about the action plan and steps that will be taken. **This meeting is for current parents/carers only and we would ask that you do not bring your children.**

In order to answer any questions that you may have in the time available at the meeting please complete the slip on the next page and return to the school office by 9am on Friday 14th July. **Please note that it will not be possible to address questions that have not been received prior to the meeting. However, we will be available at the end of the meeting to discuss points you may wish to raise.**

As is normal, if you have an issue regarding your child please discuss this with the class teacher in the first instance. Other issues can be discussed with the headteacher by appointment.

Yours sincerely,

Chair of Governors

Headteacher
